

**I LEFT**

**MY**

**IPOD**

**HERE**

On the evening of Monday, December 10, I left an 80GB iPod Classic (with rubber case) in the study room of Powell Library, along with a pair of Grado S80 headphones. The loss of said items has caused me a great degree of emotional trauma. I am also having some difficulty swallowing solid foods. **If you have found these items, please contact me at (914) 400-8309.**

**CALL**

**(914)**

**400 -**
